## A brand offering premium kitchen solutions in the city

**W**ith over three decades of expertise, Carysil, a premium kitchen solutions offers a comprehensive range of kitchen sinks, countertops, faucets, and built-in appliances. The team says, "As the fourth-largest global producer of granite sinks and the only one in Asia, we focus on blending design, functionality and technology to create lifestyle-driven kitchen spaces."

The brand employs advanced German technology to manufacture its granite sinks. It has a presence across more than 50 countries, including Europe, the US, and the Middle East.

The team shares, "Our products are made using sustainable production methods to ensure reduced environmental impact. The designs enhance ergonomics and reduce noise, which are ideal for Indian cooking styles. Our customisable finishes are designed to withstand high temperatures, heavy usage, and are easy maintenance."

Its range of kitchen faucets ensures smart water flow control, while its built-in appliances include a range of ovens and hobs. Carysil also features a vast range of feature-packed chimneys, cooktops and built-in hobs, wine chillers and built-in coffee machines.

Chirag Parekh, chairman and managing director of the brand, said, "We don't just provide kitchen solutions, we deliver lifestyle experiences. Our products offer a blend of design, innovation exciting

products, including refrigerators and coffee makers, in the pipeline, that will be perfect for all homes."

As part of its

media influencer, wellness enthusiast, and Carysil's brand ambassador, Mira Kapoor.

The team shares, "The centre offers a hands-on experience, allowing visitors to explore smart kitchen solutions and various design options in a real-life setting."

"We are proud to bring this immersive space to Ahmedabad, giving customers a place where they can explore our products like never before. Our products cater to homeowners seeking a minimalist, clutter-free lifestyle without compromising performance," said Parekh.

The brand also has showroom in Surat, an outlet in Vadodara, and an authorised dealership in Rajkot.

expansion plans, the brand recently unveiled its state-of-the-art Experience Centre on Sindhu Bhavan Road in Ahmedabad, inaugurated by social
