CARYSIL

OUR STORY

Introducing the CX Range, an ultra-premium expression of design, technology and culinary excellence. Rooted in European design philosophy, this exclusive collection of hobs embodies minimalism, precision and timeless sophistication, crafted for modern luxury kitchens with a refined, contemporary aesthetic.

Engineered for powerful performance and intuitive control, each hob delivers precision cooking through advanced features, seamless functionality, and integrated safety systems. Designed to complement modern lifestyles, it brings together innovation and ease, elevating everyday cooking into a refined experience.

Extending beyond hobs, Carysil's complete built-in appliance portfolio includes microwaves, combi ovens, electric and gas ovens, warming drawers and more—creating a cohesive kitchen solution. Across collections like Linear, Eclipse, Matrix, and Classic, each product combines advanced technology, versatile functionality and elegant design to deliver a seamless and sophisticated culinary environment.
